SEC. 10-1-20 RESTRICTIONS ON PARKING; POSTED LIMITATIONS.

(a) **POSTED LIMITATIONS.**

- (1) The Common Council may designate certain streets or portions of streets as no parking or no stopping or standing zones or as zones for parking by physically handicapped persons and may limit the hours in which the restrictions apply. The City shall mark, by appropriate signs, each zone so designated in accordance with the provisions of Sec. 349.13, Wis. Stats.
- (2) Except when necessary to avoid conflict with other traffic or in compliance with the directions of a Police Officer or traffic control device, no person shall stop or park a vehicle in an established no stopping or standing zone when stopping or standing is prohibited. - (3) The Chief of Police is hereby granted the authority, within the reasonable exercise of police power to prohibit, limit the time or otherwise restrict the stopping, standing or parking of vehicles beyond the provisions of Chapter 346. The Director of Public Works shall have the authority to restrict the turning or movement of heavy traffic and to impose special weight limitations on any highway or portions thereof which, because of the weakness of the roadbed due to deterioration or climatic conditions or other special or temporary conditions, would likely be seriously damaged or destroyed in the absence of any restrictions on heavy traffic movement or special weight limitations.
- (4) No prohibition, restriction or limitation on parking or restriction on movement or turning of heavy traffic and imposition of special weight limits is effective unless official traffic control devices have been placed or erected indicating the particular prohibition, restriction or limitation.

In the event there does not exist sufficient time to notify the Common Council of his desire to do so because of untimely notice or advance information or request to the Mayor, said Chief Executive is then authorized to take such action without approval of the Council.
- (c) All vehicles shall be parked within the designated striping of any parking stall.
